

Dear Parents,

We appreciate the desires you have for your child, and happy to welcome any feed back or suggestions regarding our services.

Thanks

Sujay Montessori house of children is a heaven, since pupil will adapt the new environme  
very quickly. I think it is because of the activities they are doing. There is no differentiation ~~in~~  
within the pupils, all of them are equally treated. I really ~~had~~ <sup>had a</sup> doubt about my daughter  
whether she can adopt new culture, environment, but, now we're happy. She is very intereste  
to go school every day, she's started speaking Kannada, bigger surprise for us. Another importa  
point is the celebration of ~~the~~ festivals, ~~at~~ b'days etc. which ~~with~~ gives them good feeling.  
I'm sure every pupil will succeed ~~at~~ in future. Really proud of Sujay Montessori House of  
Children. All the best!
